

IMPORTANT HEALTH INFORMATION - 2017

Silver Towers Camp is seeking to effectively provide optimal camping experiences for the enjoyment of all campers. Acceptance of campers is based upon information provided by the individual, the care giver, and physician. All campers are expected to have self care skills, including activities of daily living and the ability to independently participate in camping activities. Camp counselors will provide activities, guidance, support, and instructions for campers, however, staff members are not trained medical personnel. Therefore, acceptance of the camper is conditional pending a brief evaluation by the Camp Nurse, Camp Director, and related staff upon arrival to assess:

- Medication – in its original bottles
- Dietary needs – if gluten free, you must provide food and snacks for camper
- Program readiness
- Current medical/mental health status
- All current Doctor's Orders or Prescriptions

Campers manifesting any of the following can not and will not be permitted to the camp:

- Contagious illness/disease
- Inappropriate social behaviors
- Head lice
- Athletes foot
- Fever
- Active cough
- Open wounds/runny sores

Reminder for all campers: medications, over-the-counter drugs, and medical supplies will be stored and dispersed by the camp nurse. Additionally:

- **All medications must be in their original containers. If they are bubble packed they must have a list of each medication printed on the packaging.**
- All over-the-counter supplies/medications must be labeled
- All belongings must be labeled with the camper's name.
- **Campers may bring electronic devices however they will be their responsibility and the camp will not be responsible for lost or stolen items.**
- **No cigarettes, lighters, matches, alcohol or drugs may be permitted at camp. This includes by the counselors and staff.**
- **Over the counter drugs will NOT be allowed in the dorms and will be kept in the Infirmary.**

Campers unable to meet all of the above criteria will not be admitted to the camp.
