Vermont Elks Charities...

Silver Towers is an overnight camp for individuals with disabilities owned and operated by the Vermont Elk Charities, Inc. Silver Towers Camp provides an overnight camping experience to people with various disabilities from 6 – 75 years old. Our primary focus is to develop the talents of our campers in an atmosphere of caring, sharing and challenge while respecting each person's worth. A variety of programs with the content of social interactions and cultural opportunities helps us attempt to form a well rounded person capable of facing future challenges. We are trying to raise money for our Silver Towers assessment to repair some of the buildings in order to provide a healthier and safer environment for the campers while trying to keep our fees reasonable for the clientele that we serve. Many of the campers receive government assistance and spend all their money on room and board leaving very little for fun activities such as camp. With your help campers will be able to attend Silver Towers which is the highlight of their lives. We are located in Ripton, Vermont just east of Middlebury. Our camp is the site of the old Vermont Youth Conservation Corp Camp and is in desperate need of some maintenance and repairs. We are looking for individuals or corporations to join us in helping support this wonderful camp. We recommend spending a day with us to see the value of the camper's experience. We conduct eight, one week long summer sessions. You will be truly inspired!
