

Gabriel St. Marting son of Misty St. Martig of Wells, VT has been named a Elks Scholar in the MVS competition.

Gabriel is a Senior at Granvill High School and will major in Aerospace Engineering in the fall. He is a member of the Jazz Band, Manchester Machine Makers, Granvill trap club and Oxbow Mountain 4-H Shooting sports. In addition to being a scholar with a 4.0 GPA, he works at the Cluckin Café Cones Point and volunteers for Our Neighbors Table and Camp Exclamation Point, a camp to provide continuity and community to underserved rural Vermont kids through a weeklong residential summer camp. Our 100+ campers have limited opportunities for such an experience because of a lack of financial resources, rural isolation, and disruption of life and education. Many of their families are involved with agriculture and often move to follow available work. Most of our campers are entering grades 3 to 8, along with a few older campers participating in a Teen Leadership Program.

Teenah Webster, daughter of Amy Webster of Rutland, VT is also a Scholarship Winner. Teenah is a Senior at Rutland High School and will attend Michigan State University with a Creative Advertising major. Teena is a member of the National Honor Society and is a student/teacher at Miss Jackie's Studio of Dance, currently the Captain of the Dance Competition Team. In addition to Ddance, Teena enjoys music and singing.
